

EUDRAGIT® Advanced Workshop
Novotel Montréal Aéroport ♦ Ville St-Laurent, Quebec
Thursday, April 14, 2011

You are cordially invited to join us for a one day EUDRAGIT® Advanced Technical Workshop. The aim of this Workshop is to provide a detailed understanding of the chemistry and application technologies of EUDRAGIT® polymers in pharmaceutical applications.

The Workshop will include in-depth presentations on GI targeting, modified release, taste masking and solubility enhancement via melt extrusion. This Workshop will provide valuable training for formulation professionals as well as technical transfer manufacturing professionals. It will cover a diverse range of EUDRAGIT® polymers in the pharmaceutical industry, primarily in the area of oral solid dosage forms.

In addition to presentations by the Evonik Pharma Polymers Technical Staff, our panel includes:

1. Dr. Kwok Chow – Patheon – Electrostatic Coating with EUDRAGIT® Polymers
2. Steve Levine – Emerson Resources – Application of Plasacryl™ T20 for Improved Aqueous Coating
3. Jim Marjeram – O’Hara Technologies – Continuous Coating

Each participant will receive a binder and flash drive containing the presentations.

Cost: \$150.00 (USD) per person.

Companies registering 3 or more participants pay \$100.00 (USD) per person.

This workshop is open to the first 35 people. Complete and return the registration form attached to Sandra Cramer at sandra.cramer@evonik.com or call 732-981-5269. Payment by PayPal will be accepted. (No refunds will be given – we will reschedule your attendance fee to a future workshop registration.)

For additional program information contact Greg Coxon (Almat Pharmachem) at 905-761-2085, ext. 225.
